

FLINTLASTIC® SA

SELF-ADHERED MODIFIED BITUMEN ROOF SYSTEM

Flintlastic SA delivers the reliable protection of traditional modified bitumen roofing for a fraction of the labor, plus:

- **No kettle, fumes, or burn risk**
- **No torch or risk of fire**
- **Reduced training requirement**
- **No building occupant disturbance**
- **No mess or side lap bleed out**
- **Reduced insurance requirement**

Meet the family

Select the Flintlastic SA base, ply (optional) and cap sheet combination that meets your building, performance and warranty needs:

Flintlastic SA NailBase

Nailable base sheet for plywood/OSB or lightweight insulating concrete

Flintlastic SA PlyBase

Self-adhered base sheet or interply

Flintlastic SA MidPly

Premium self-adhered base sheet or interply, for extended warranties

Flintlastic SA Cap

Workhorse cap sheet

Flintlastic SA Cap FR**

Fire and impact resistant cap sheet

**UL 2218 Class 4 Impact Resistance - Certain systems are UL classified as to impact resistance as described in the UL Roofing Materials and Systems Directory.
